

IS YOUR FIRM DAWN RAID READY?

Preparing for a dawn raid requires a multi-faceted approach. Your business needs the tools and knowledge to implement an effective plan. In the event of an unannounced inspection, would you and your business know what to do?

INTRODUCING BCLP'S DAWN RAID PREPARATION PACKAGE

Our Dawn Raid Preparation Package has the fundamental elements to help ensure your firm is ready for a dawn raid by a range of UK and EU regulators - the European Commission, CMA, HMRC, SFO, FCA and others.

BE DAWN RAID READY

with BCLP's Preparation Package

As regulators get tougher and more active in using dawn raid powers, it is essential for businesses to be prepared. The dawn raid package provides clients with the information they need to respond if they are ever faced with a dawn raid.

The key aspect in any unannounced visit by authorities is how you manage the situation in the first few hours - to keep the investigators under control and relevant stakeholders informed. This package provides invaluable practical guidance from our experienced team.

We know that dawn raids can be stressful and that clients need practical and clear support in real time. The dawn raid app provides practical tips and technical advice for dealing with regulators in a concise and easily accessible format, to provide instant support at the click of a button.

The dawn raid package is a great example of the creative and technology-driven approach BCLP takes to addressing client needs. All the in-house teams who have seen it have been very impressed.
