CHAMBERS GLOBAL 2025

Feb 13, 2025

International law firm BCLP is pleased to announce that the firm has been recognized in the **2025 edition of Chambers Global**. The firm received 21 practice group rankings.

The firm's Global: Multi-Jurisdiction Real Estate ranking was elevated to Band 2, and our team in the UAE has once again been recognized for Real Estate and Construction.

The Construction practice maintained a Band 2 ranking for the fifth consecutive year, being noted for its, "level-headed, commercially minded legal advice." The Real Estate team was highlighted for its "depth of expertise, strategic approach, and dedication to providing top-notch legal solutions" along with its "extensive knowledge of residential, commercial, retail, and hospitality matters."

Clients commented:

Agribusiness: "BCLP has a team that brings together many different disciplines, and the team works well together to provide a complete solution for the client."

Agribusiness: "BCLP are always available and respond promptly. They have attorneys skilled for every topic and give strategic and insightful counsel at very competitive rates."

Construction: "For construction disputes, you cannot go wrong with BCLP; the firm is very responsive."

Construction: "BCLP is highly specialized in construction disputes and they "speak the language." They always provide level-headed, commercially minded legal advice. The firm gives detailed, technical advice at short notice."

Construction: "BCLP has an extremely strong team of seasoned construction and real estate practitioners."

Real Estate: "Their depth of expertise, strategic approach and dedication to providing top-notch legal solutions make them a leading choice for clients facing challenging situations."

Chambers and Partners ranks lawyers and law firms based on their technical legal ability, professional conduct, client service, commercial astuteness, diligence, commitment and on other qualities most valued by the client. For more information about Chambers and Partners, [visit their website](#).
